Where There's a Need, There's a Lion

Lions are service-minded men and women who are interested in improving their communities. We are younger and older people, families and singles. To become a Lion means being an active volunteer, a member of a highly-respected global organization, a leader in your community, and a friend to people in need.

To become a Lion, you must be at least 18, possess ethical moral character, and have a good reputation in your community.

Membership is by invitation, so contact us to find a sponsor and see if our Lions Club is a good fit for you!

Mission Statement of Lions Clubs International:

CHILDHOOD CANCER

Whenever a Lions Club gets together, problems get smaller - and communities get better. That's because we help where help is needed - in our own communities and around the world - with unmatched integrity and energy.

We are one of the most effective service club organizations in the world. We get the job done.

Everywhere we work, we make friends - with children who need schoolbooks, with seniors who need transportation, and with people we may never meet.

We're led by talented, dedicated volunteer leaders from around the world. And, we're supported by the Lions Clubs International Foundation (LCIF), which helps to fund Lions humanitarian projects.

Right now, Lions are improving communities around the world. We're planning a local project. We're sponsoring international exchanges for young people. We're bringing clean water to a remote village. We're building, sharing, and repairing. And we're having fun while doing it!
